- Card reader
- USB-I/O module
- WLAN antenna[1,3]

Miscellaneous

- Tripods
- Transportation case
- Laser protection filters (protective windows)
- Protection case[2]

Electromagnetic compatibility (EMC) is given when several electronic devices work together in a common environment without problems. All thermography systems provided by InfraTec have been developed in accordance with the legal limits for EMC. However, interference cannot be 100% excluded in all environments. Relevant measures for maintaining EMC in an industrial environment are illustrated in this guide: https://www.ifm.com/obj/EMC-Pocket-Guide-ZVEI-english.pdf

VarioCAM® HD Series

Order Form for Camera Accessories

Item number	Denotation	Number of items	Net price apiece in EUR*
